✔ **MORE ECO-RESPONSIBLE FILTRATION**

Thinclear Mono offers a large filtration surface for maximum removal of impurities. Unlike sand filters, filter cartridges don't need to be backwashed; they simply need to be cleaned with a jet of water. This system will save you a great deal of water every year.

✔ **EASY TO USE**

- ➡ 4 mounting holes
- ➡ Easy-grip lid handle
- ➡ Indicative pressure gauge shows when maintenance is due
- ➡ Knee-high tank base for easy cartridge replacement
