# VENUS

## CANADIAN HEMLOCK

Holl's proposes this cabin in light-coloured hemlock with its large glazed façades and louvered shutters.

The Venus infrared sauna, equipped with dual Full Spectrum quartz/magnesium technology covering the entire infrared spectrum for gentle treatment of the epidermis or deeper subcutaneous penetration, features all versatility of the sauna world.

Equipped with a steam stove, this sauna lets you chose amongst 3 different technologies. Infrared Quartz, Infrared Magnesium or steam. Take a seat, relax and enjoy your session. Delight in pure comfort with soft music, quartz or magnesium infrared mode and chromotherapy. Time for relaxation, wellness and unwinding.

## HYBRID TRIPLE TECHNOLOGY

### ACCESSORIES INCLUDED

#### Quartz emitters

Its long waves sooth muscles and joints through gentle warmth.

#### Magnesium emitter

Its high heat is ideal for toxin clearance and relaxation

#### Harvia steam stove

The Venus comes equipped with a Harvia stove and lava stones, all ideally proportioned to the size of the cabin.

We also include the essential accessories in all our steam saunas, such as bucket, wooden ladle, thermometer and hourglass.
